

MEMORANDUM FOR: THE DIRECTOR

62-5104/1

A short time ago you indicated an interest in getting on record with the Senate Foreign Relations Committee on the recent bill which Senator J.W. Fulbright introduced to authorize the appointment of an additional Assistant Secretary of State. This position would be used for the present Director of Intelligence and Research. Inasmuch as the bill is an Administration proposal, the Committee will not request comments from the Executive departments. However, we have discussed this matter informally with the Committee staff and with the State Department and see no reason why the attached letter should not be sent by you on your initiative. The

letter has been formally cleared by the Bureau of the Budget and we have discussed it with the DD/I who is in agreement with it.
